Direct Access or Assembly Bill 1000 took effect on January 01 2014. The Bill expands patient access to Physical Therapy services for immediate treatment for up to 45 days or 12 visits, whichever comes first. This means that people with no insurance do not require a referral for 45 days/12 visits and most insurance carriers are not requiring a referral either. However, some carriers still require a referral and we are required by state law to follow those guidelines. If you have questions regarding this Bill, Please feel free to ask on of our front desk staff.
